

BE THE CHANGE

GIVE YOUR TIME AS A FAMILY CHILD CARE TUTOR

Reading is the foundation of all learning – but in Minnesota, nearly half of our children struggle to read at grade level. As a literacy tutor, you can help young learners build early literacy skills and get ready for kindergarten.

Tutors travel to family child care sites where they work one-on-one or with small groups of children (birth - 5 years old). No experience? No problem! Reading Corps provides comprehensive training in strategies proven to help children build skills, meet milestones and fall in love with learning.
