

The AmeriCorps Child Care Benefit Program is available to members who are actively serving in a full-time capacity and meet the eligibility requirements as outlined below. The Child Care Benefit Program is administered by GAP Solutions, a third-party administrator for AmeriCorps. Income eligibility for the benefit is determined by GAP solutions, Inc. based on your state's Child Care Development Fund Plans (CCDF).

Benefits are paid as a reimbursement for services directly to qualified childcare providers for all or part of the member's childcare costs during their active time of service with AmeriCorps. *Payments cannot be paid directly to AmeriCorps members.*
